YEAR AND GRADE ENROLLED : 2009, GRADE 8
GRADE AT DATE : GRADE 12

School Achievements and Activities 2013

Academic Colours

Recipient of the JB Colam Memorial Prize for Physical Science

Member of the Interact Club

Shaaheen Sacoor enrolled at Glenwood High School in 2009 and wrote the National Senior Certificate examinations at the end of 2013.

Shaaheen is a quietly-confident, friendly, well-mannered young man.

Academically Shaaheen has achieved very well, his recent Trials examinations placing him among the top third of the total Grade 12 pupil-body of 249. His flair for Mathematics and Science is evident in his participation in both the Mathematics and Physical Science Olympiads of 2013. At our annual Senior Prizegiving ceremony, Shaaheen was awarded Academic Colours as well as the Subject Prize for achieving top marks in Physical Science.

Extramurally Shaaheen was a committed member of the Interact Club.

Shaaheen is a thoroughly decent, mature young man who has much potential for future success. We wish him all the best in all his endeavours.
